

Who we are

Ever since its foundation, Ormazabal has been an engine for innovation in the electrical distribution sector.

Our continuous cooperation with electrical companies, have enabled us to consolidate the development of solutions, products and services with high added value for our customers, our **Mission**.

Cooperation with our customers, technological growth, investment in innovation, the commitment of our team of professionals and our knowledge management have all positioned us at the forefront of the international Medium Voltage electrical distribution market.

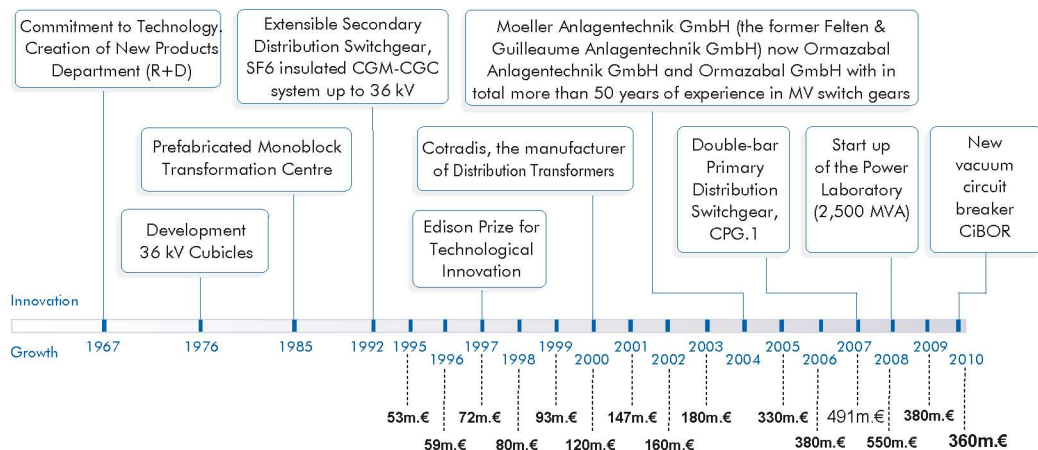

Our **Values**: Flexibility, Leadership, Innovation, Pragmatism and Support are the hallmarks of our management approach and have positioned us as **specialists in Medium Voltage**.

Focus on Medium Voltage

We are **specialists in Medium Voltage** because...

- o Medium Voltage is our business
- o We enjoy close, direct relationships with our customers
- o We offer extensive experience and a depth of knowledge
- o We are committed to meeting our customers' needs
- o Our highly qualified team becomes closely involved in each project
- o Our enterprising spirit leads us to innovative technological breakthroughs for electrical equipment.

Social Responsibility

Protection of the Environment is a key part of Ormazabal's firm commitment to the environment, both from a preventative perspective and in order to promote initiatives that encourage greater environment responsibility and the dissemination of environmentally-friendly technologies.

Since 2002, **Ormazabal has been a member in the United Nations Global Compact**, which constitutes an initiative of companies' voluntary commitment to social responsibility in order to support, promote and uphold a series of fundamental values in the areas of Human Rights, Labour Rights and the Protection of the Environment.

Ormazabal has signed an alliance with **UNICEF** whereby we undertake to disseminate their programmes and support the United Nations agency in their goal to guarantee compliance with Children's Rights.
